Download the Otto app to  
connect with our team online

Sitting in the Starbucks drive-thru thinking about how your pet needs a prescription refill? We've all been there. We're excited to share that we've added TeleVet to the team! Download the app for instant access to our staff when you need us (yes, even from the drive-thru).

## Use the app to:

Text when you need us

Book appointments

Request RX refills

Share your pet's health records

Download the app today at [otto.vet.com](https://otto.vet.com) or scan the QR code. We look forward to chatting soon!
